Mid Ulster District Council's community plan sets out a vision for the district. That plan defines 15 target outcomes, across 5 themes.

This Draft Plan Strategy runs counter to many of the adopted community objectives. The limitation in growth which it would lead to would prevent:

- a more prosperous economy
- vibrant towns and villages
- increased access to better housing
- improving skills
- giving young people the best chances
- becoming more entrepreneurial
- improving length and quality of life
- having access to local health care
- more care for the vulnerable and those in need
- safer communities
- reduction in poverty

Sustainability in the community plan is define in localised terms, but the DPS considers the NI context (Belfast First)

*(If not submitting online and additional space is required, please continue on a separate sheet)*

7. If you are seeking a change to the DPD, please indicate if you would like your representation to be dealt with by:

Written Representation

Oral Hearing

Please note that the Department will expect the independent examiner to give the same careful consideration to written representations as to those representations dealt with by oral hearing.
