Local Development Plan  
2030 - Draft Plan  
Strategy

41, Derrynale Road  
Coalitard  
BT 71 4 PB

My Dear Friends,

I am writing to you in order to appeal against the Boundary lines as shown on your Map relating to Derrynale Road, Coalitard. I would wish you to consider the fact that a Sewerage Pumping Station is located on the Roadway adjacent to the small housing development known as Valemount. I own the Property immediately to the Rear of Valemount and indeed previously owned where Valemount is now located. I do wish for you to consider extending the Black lines shown on your map to take in the remaining section of the remaining field which I still own. It is of no benefit to anyone the way it

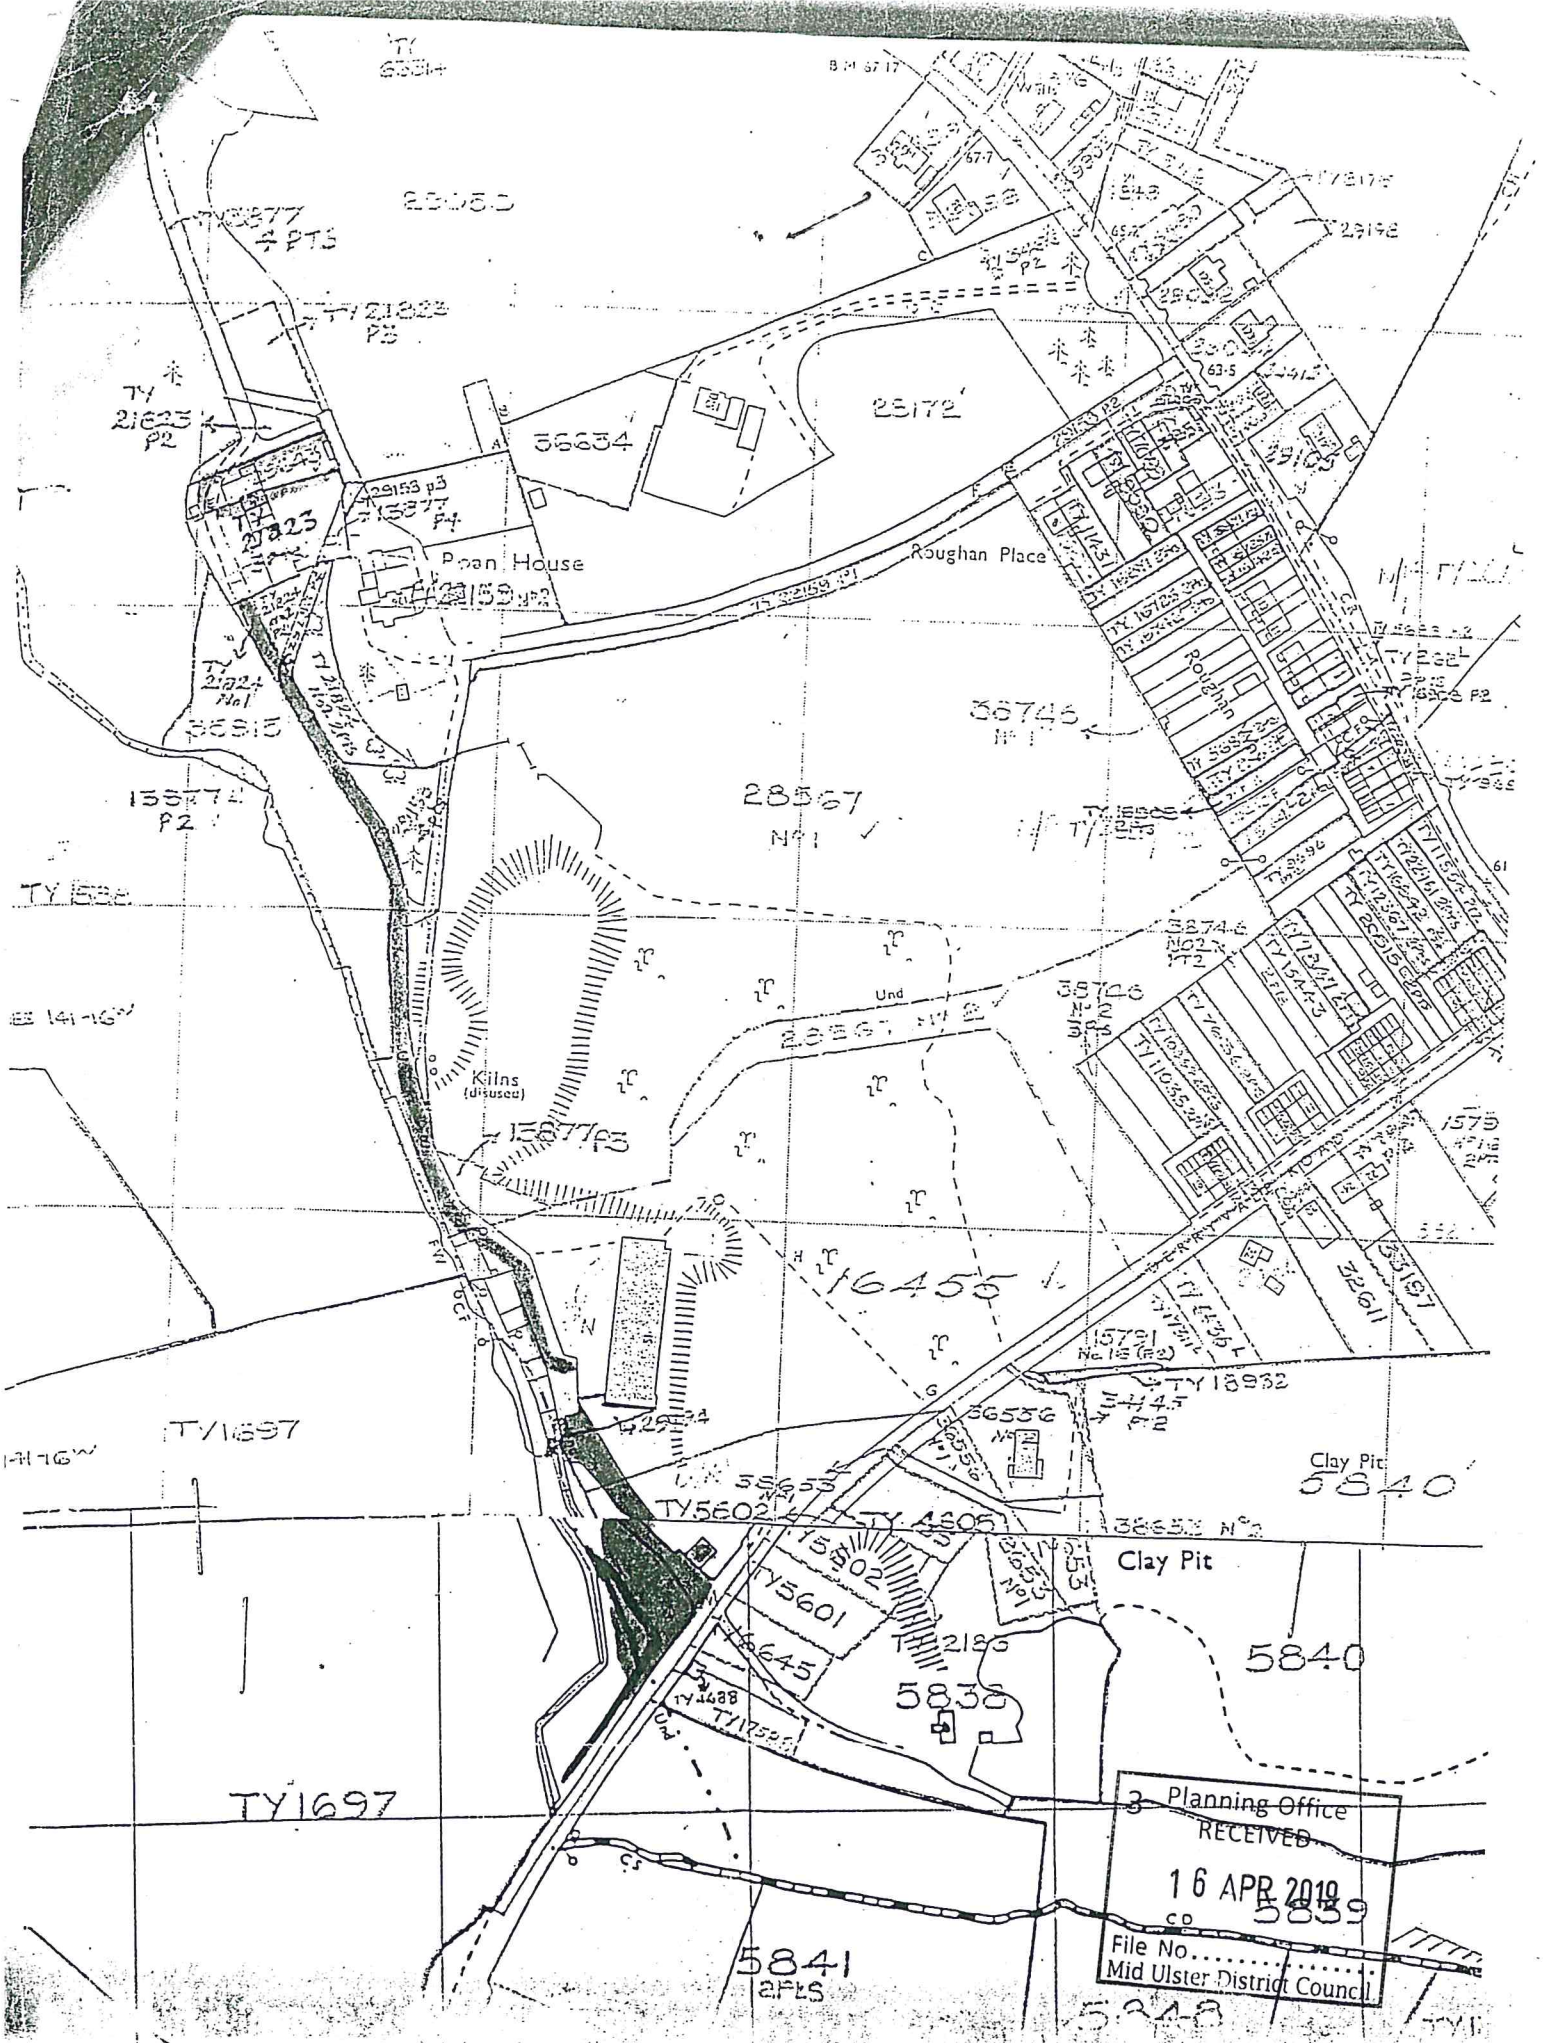

(2)

is at present. Having given permission for the Pumping Sewerage facility to be located on my property in previous years I think I am entitled to have the use of it move substantially for my benefit. I do hope that you will respond favourably to my situation and you are most welcome to visit the area at any time in order to take into account which I have stated.

Please find attached map - Folio No. 5838 which is the area in question. Thanking you.
