Economic Growth

Summary Issues:

We want to prioritise job creation, investment and the enhancement of people's skills and employability, and at the same time improve broadband/mobile phone coverage. Support for Micro and Small to Medium Sized Enterprises (SMEs) must continue across all sectors. Engineering, agriculture (including 'farm families' and 'agri-food') and construction have to be driven forward and planned major capital projects must be implemented. It is also important to address the District's significant public sector jobs deficit and to drive forward growth in the 'emerging' and 'high end' office sectors.

We must capitalise more on our tourist assets of activity, heritage and Seamus Heaney, via a tailored Mid Ulster Tourism Strategy which has a core objective of getting more people to visit and stay overnight in the District.

Previous and current work on multi-focused town centre regeneration and village renewal schemes (i.e. integrating proposals for business, jobs, services, public realm and traffic management) should be continued and include concerted efforts to address dereliction. Deficits in rural communities need to be addressed and the District's cross border opportunities developed. The Council's new Planning powers will be a key means of taking this theme forward.

We need to take into consideration all our contributors to economic growth and barriers faced by many in our society to take part. These include, women returning to work, people with children and other caring duties, people with disabilities and those most removed from the labour market or economic opportunity.

Key Outcomes:

- We prosper in a stronger and more competitive economy
- We have more people working in a diverse economy
- Our towns and villages are vibrant and competitive.

Enhanced business start-up programme

Infrastructure

Summary Issues:

Mid Ulster has a number of strategic infrastructure issues which need to be addressed in a joined up manner. These include:

- The strategic roads and transport networks (existing and potential), particularly to facilitate the 'Mid Ulster Urban Cluster Hub' of Cookstown, Dungannon and Magherafelt;
- Telecommunications and broadband with equitable provision across the District;
- Waste and recycling;
- Energy, including renewables and new options such as gas;
- Public utilities that meet the future growth needs of the area.

Improving the quality of our environment is important. This includes the protection and development of the diverse elements within it and this will be considered as part of our cross cutting principles. Existing natural and built heritage assets such as Lough Neagh, Ulster Canal, The Sperrins and many other sites/structures need to be sustainably developed as part of the District's green and blue infrastructure.

Increased provision and access to social and affordable housing is required and Mid Ulster's significant public sector estate needs to be reappraised to ensure its value and usage are maximised for the benefit of local communities.

Key Outcomes:

- We are better connected through appropriate infrastructure
- We increasingly value our environment and enhance it for our children
- We enjoy increased access to affordable quality housing.

Advance the development of the Strategic Road Network (the A29 – A31,A4, A6 and A5), including bypasses for the main towns and villages on the strategic routes

Action(s)

A6

- Substantially complete Randalstown to Castledawson section.

A5

- Make Direction Order for the scheme
- Make Vesting Order for Phase 1a of the scheme
- Make decision to proceed to construction for Phase 1a
- Make Vesting Order for future phases of the scheme.

A29 Dungannon Bypass

- Preparatory scoping route options study by Mid Ulster District Council
- Initiate the commissioning of a route options study for Dungannon By-Pass.

A29 Cookstown Bypass

- Progress scheme through statutory processes.

Progress Park & Ride at strategic sites	
Action(s)	
Planning application for Dungannon (Stangmore) Park and Ride to be submitted. Successful purchase of land.	
Undertake a feasibility study for Maghera (Craigadick) Park and Ride.	
Provide Park and Ride at Toome.	
Investigate other potential Park & Ride and Park & Share schemes and strategic bus stops.	
Link all new and existing Park & Ride/Share schemes to Vibrant and Safe Communities 'Design out Crime' Action.	

Reduce our dependency on landfill through increased recycling and recovery	
Action(s)	
Mid Ulster District Council's Magheraglass Landfill closed on 20 May 2017; residual waste that was being landfilled to now be reprocessed instead. Capping programmed for Summer 2018.	
Tullyvar Landfill Site (Mid Ulster and Fermanagh & Omagh District Councils) to cease accepting residual waste: Fermanagh & Omagh District Council to withdraw from Tullyvar on 1 April 2018.	
Carry out an extensive campaign to increase the recycling of food waste to reduce amount of waste going to landfill and an increase in composting/recycling.	
Construction of Waste Transfer Station at Drumcoo, Dungannon as a direct replacement for Tullyvar Landfill Site.	
Mid Ulster District Council to retender Residual Waste Treatment Contract to include all Residual Waste collected within the District including that currently disposed of at Tullyvar; this will facilitate increase in recycling of currently landfilled waste and landfill diversion.	

Facilitate the delivery of strategic infrastructure schemes such as broadband and mobile phone coverage; 'Gas to the West'; Interconnector; sewerage and water and the Desertcreat Safety College	
Action(s)	
Mid Ulster District Council to implement protocol to give priority to major infrastructure projects when assessing planning applications.	
Commencement of Northern Ireland Fire & Rescue Service Learning and Development Centre at Desertcreat.	
Waste Water Treatment Facility upgrade at Dungannon Waste Water Treatment Works. Evaluation to be undertaken when works complete.	
Review of Cookstown Drainage: Area Plan: new sewer network model developed.	

Develop and implement an Estates Management Plan for the entire public sector estate across Mid Ulster	
Action(s)	
10 year Estates Management Plan to be developed.	
Estate Management Sub-Group to identify/records of existing lands and buildings for wider public sector.	
Commence creation of Public Sector Estates Management Plan.	
Identify potential for co-location sites.	

Progress the reinstatement of the Ulster Canal and its greenway links	
Action(s)	
Stage 2 Feasibility Study of proposed Ulster Canal Greenway Complete – Potential Partnership with Inland Waterways, Armagh, Banbridge Craigavon Council and Mid Ulster District Council.	
Phased approach to implementation of the Greenway links to Ulster Canal Proposal to recognise links to National Greenway Network and Mid Ulster District Council Clogher Valley Greenway.	

Provide an adequate supply of social and affordable ‘homes-for-life’ and Supported Living through Area Plan policy and direct public provision	
Action(s)	
Deliver 232 units of social housing.	
Bring forward housing land through the Local Development Plan and progress policy to encourage a mix of housing types and tenures.	

Promote and provide for mixed community housing developments	
Action(s)	
Bring forward new shared future proposals/schemes to assist in meeting the overall housing need.	
Undertake reimagining projects, Community Cohesion, Good Relations projects in existing single identity estates.

Education & Skills

Summary Issues:

Levels of educational under achievement, with regards to the percentage of our population that has 'no to low' qualifications, needs to be tackled via all levels of the education and training systems. Under achievement is particularly apparent in our most deprived areas. Research shows, in these communities, children under perform by as much as 10% to that of children from 'better off' areas of our District.

This educational gap must be closed. Education needs to be developed in holistic ways, for example by incorporating mental health and emotional resilience support and by ensuring educational facilities 'work' for children, families and communities beyond the traditional school hours/days. A number of our educational facilities require urgent replacement or significant upgrading. Meaningful links and collaboration are essential between employers, entrepreneurs, enterprise agencies, schools, colleges and communities. In the same way training and skills development should reflect Mid Ulster's many economic strengths.

Key Outcomes:

- Our people are better qualified and more skilled
- We give our children and young people the best chance in life
- We are more entrepreneurial, innovative and creative.

Develop and roll-out a peer mentoring programme for children and young people experiencing low attainment.	
Action(s)	
Deliver Mentoring Programme in post primary schools (based on good practice from the Neighbourhood Renewal model and engaging the school area partnerships).	
Establish Peer Mentoring programmes to support the above programme: Map existing programmes for best practice Recruit Peer volunteers Establish programmes in schools	
Develop a coordinated volunteer scheme for schools, focusing on retired and teachers needing to gain experience to support the above programme: Map existing programmes for best practice Recruit & Train volunteers Establish programme	
Engage libraries in delivering numeracy and literacy support.	

Ensure accessible preschool places for every child.	
Action(s)	
Map and monitor children receiving a final pre-school place compared to initial expression of interest to ensure children receive the opportunity of a pre-school development.	
Review issues of access to pre-school provision, if required for areas where demand cannot meet supply.	

Establish a Mid Ulster Skills Forum bringing together employers, entrepreneurs, enterprise agencies, schools and colleges to plan ahead to improve future employability.

Action(s)

Continue to engage with the Mid Ulster Skills Forum (USF) regarding partner delivery of the skills and education actions (review membership and structure of the forum to link education).

Complete Mid Ulster Skills Report and Action Plan 2017-20.

Establish four working sub-groups: Skills Report & Action Plan, Education Linkages, Brexit and Apprenticeships (levy).

Develop and deliver tailored Apprenticeship programmes to meet the specific needs of Mid Ulster industry

Action(s)

Marketing/branding of Colleges as a positive alternative to academic pathways through:

Open Day/taster days for schools (similar to University open days)

Awareness raising with parents on 'appropriate pathways'

Awareness raising for post 18/A-level pathway (positive alternative to University degree).

Apprenticeship programmes with co schooling for Year 11s - formalised link between schools and colleges with potential to deliver courses jointly leading to higher level frameworks.

Engage with the Skills Forum to identify flexible apprenticeships and engage schools and colleges with businesses to offer on-site visits, skills days and opportunities for young people to engage with maximise impact (coordinated approach).

Scope, develop and deliver a Mid Ulster Engineering Centre of Excellence

Action(s)

Develop a Mid Ulster Engineering Centre of Excellence in Dungannon for Mid Ulster, through a partnership approach led by the College to meet the engineering excellence and growth of the area.

Premises Operational.

Health & Wellbeing

Summary Issues:

It is clear that responsibility for growing healthy communities ranges far beyond the traditional health and care services and structures, and that better balances can and must be achieved between prevention and treatment. We need to continue to work together across agencies to focus on early intervention and prevention and to reduce health inequalities. It is recognised that Health Inequalities are impacted by a wide range of determinants including, gender, age and ethnicity, disability and carers, as well as adequate disposable income; living and working conditions; level of education; access to services; and the environment.

It will be important in the development and delivery of services, that we give consideration to the whole, not just individual elements. A community-based and multi-agency approach to health and well-being programmes, projects and activities, aimed at all ages, communities, needs and lifestyles, and targeted to those most in need, should be sustained and built upon. This should be done through collaborative and cohesive working, incorporating a wider focus on mental health-related issues and social care provision. The local availability, effectiveness and efficiency of Health and Social Care services needs to be reviewed and enhanced to meet the needs of our community. This will require investment in our infrastructure, attention to our emergency ambulance response times, along with the reconfiguration of existing services and facilities. The importance and role of Primary Care, as provided by our General Practitioners (GPs), as the entry point to the Health and Social Care system for the majority of people, must be central to a future co-designed service.

Key Outcomes:

- We are better enabled to live longer healthier and more active lives
- We have better availability to the right health service, in the right place at the right time
- We care more for those most vulnerable and in need.

An 'Ageing Well' initiative	
Action(s)	
Phase 1: Ageing Well Initiative (Good Morning & Handyvan)	
Ageing Well Contract to commence for Phase 1 of model:	
Good Morning Telephone Calls – telephone support scheme, which allows for contact with older people to allow them to remain independent at home and includes progression planning and links to the Every Contact Count initiative.	
Handyvan Service – to support older people to remain in their homes by completing all necessary maintenance jobs.	
Promotion of Health and Wellbeing messages.	
Signposting and integration of partner services and receiving referrals from Partners.	
Data capture method developed for the Ageing Well service to demonstrate outputs and outcomes.	
Phase 2: Ageing Well Vision	
Development of further Ageing Well Actions including 'Making Every Contact Count' and 'Age Friendly Society'.	

A 'Healthy for Life' strategy, team and portal; coordinating all health initiatives, programmes and literature available in the District

Action(s)

Phase 1: Develop a shared Healthy for Life strategy to include:

Mapping exercise of all current 'Healthy Living' Initiatives and programmes. Identify areas of focus i.e. target groups etc.

Partners to agree a Vision document and commit to an information sharing agreement.

Refreshed data analysis of key health issues in Mid Ulster. Arrange workshop with statisticians from PHA / NISRA to look at data capture.

Analysis of current provision meeting current health issues.

Proposed 'Shared Working' Strategy to include shared work linkages (regular cross partner team meetings, potential for co-location).

Phase 2: First 'Shared Working' arrangements piloted.

A Recreation and Active Lifestyle Plan which will provide formal and informal recreation and play opportunities.

Action(s)

Phase 1: Completion of the following:

Everybody Active Plan
Play Parks Strategy
Forest and Outdoor Recreation Strategy
Village Plans – recreation / active lifestyles
PHA Commissioning / Trusts – Activity Referral Plan, Physical Activity Improvement Plan

Phase 2:
Creation of a cross partner working group (MUDC Leisure, Parks, Environmental Health, Community Development, Sport NI, Disability Sport NI, PHA's Northern & Southern's Partnerships for Physical Activity).

Phase 3:
Map all Partner recreation and activity programmes in Mid Ulster.
Identify and develop plans for gaps in recreation across Mid Ulster.

Phase 4: Recreation and Active Lifestyle Plan for Mid Ulster (Cross Partner Plan).

Develop and implement an integrated response to mental health and wellbeing.

Action(s)

Mapping and integration of current provision, both preventative and treatment and identification of gaps in Mid Ulster.

Identification of key mental health issues and gaps in the district (including poverty and disadvantage, drugs & alcohol, isolation).

Develop a Mental Health Portal for treatment and pathway, and preventative support through engagement of the Take 5 Ways to Wellbeing Approach and other good practice initiatives.

Promote and develop resilience area based mental health support programmes to improve resilience of children and young people along with Education and Skills Action. To link with CYPSP Outcomes Groups (NHSCT & SHSCT) to support joined up planning.

Vibrant & Safe Communities

Summary Issues:

We hold the view that, the success of the economy, the education system, health and wellbeing are all significantly influenced by the viability and vitality of local communities. Mid Ulster enjoys a strong and valued community infrastructure that takes many forms and delivers many activities and benefits. Support provided to community development and social enterprise is highly valued by local people and should be continued. Recorded crime levels overall are low but some high levels of localised anti-social behaviour and fear of crime must be tackled. Options for more innovative responses to community needs and especially the needs of excluded and vulnerable people need to be developed.

There is potential to make more effective use of existing facilities and to put in place responses to emergency or crisis situations. We must address the divisions that still exist within our communities, working to ensure shared resources and spaces are created, while respecting the diversity of all. Across all of this there needs to be a sustained approach to tackling poverty and disadvantage locally. We must protect the most vulnerable in our district; and alleviate against the impacts of policies such as Welfare Reform.

Key Outcomes:

- We are a safer community
- We have a greater value and respect for diversity
- We have stronger communities with less disadvantage and poverty.

A Fear of Crime initiative	
Action(s)	
CCTV coverage in 5 principal towns of Dungannon, Cookstown, Magherafelt, Coalisland and Maghera and 2 villages in the district (previous coverage Fivemiletown and Draperstown).	
Promotion of Ageing Well programme.	
Seek to develop a protocol with the media when referencing any major articles, support agencies are referenced in the article. Link with Ageing Well Action for Good Morning callers to disseminate positive media campaign to clients.	
Promotion and extended delivery of PCSP schemes aimed to reduce Fear of Crime, including: Older people engagement and information events Neighbourhood watch schemes Keeping safe workshops (all age groups) with Crime Prevention & PCSP Officers (internet safety, personal safety, home safety etc.) Intergenerational Programmes Link to Ageing Well initiative for older people (contact and home safety).	
Interagency Working Protocol (communicated across agencies) to ensure a rapid response to issues of graffiti, extreme littering, negative environmental issues impacting upon an area that could be prone to encouraging Fear of Crime.	
Develop an integrated solution to minimise risk to those attending and those living near bonfire sites within Mid Ulster	

Vulnerable Person's Programme of Activity	
Action(s)	
Establish a 'Support Hub' to facilitate agencies sharing information and support for those most vulnerable regarding safety (PSNI Model). Establish links for all partners to other relevant support mechanisms/structures operating throughout the District.	
Extend and promote protocols re young people with behavioural issues to provide 'soft landing' and avoid criminalisation (PSNI protocol Trust Children and Young People Locality Group).	
Positive Relationships Programme to all post primary young people (healthy relationships, domestic violence, bullying etc).	
Develop an integrated solution to minimise risk to those attending and those living near bonfire sites within Mid Ulster.	
Engage education authority and all primary schools regarding mainstream delivery of Helping Hands healthy relationships awareness to children - reengage with the current tool kit and deliver additional support to schools where required.	
Positive Relationships Programme with adults with Learning Difficulties addressing issues of financial abuse, healthy relationships and community connections.	

A Community First Responder initiative for emergency response situations and safety concerns

Action(s)

Support and promote delivery of Mid Ulster Community Resus Action Plan:

- Automated External Defibrillators (AEDs) - Mapping, Registration and Maintenance
- Training
- Raise awareness

Seek to ensure every community has access and is aware of an NIAS registered defibrillator

Identify, promote and support community resilience models across Mid Ulster for first responder, flooding (in areas of potential flooding) and rescue services (e.g. Lough Neagh Rescue) and use these to promote best practice to other groups.

Link to District's Emergency Planning Group.

Regular reviews of Emergency Planning with all partners to ensure everyone is aware of action in emergency.

Establishment of a Mid Ulster Flood Resilience Forum to identify areas for potential flooding and support mechanisms currently in place and support communities where feasible e.g. sand bag scheme, awareness of main contact points etc.

Sustain the current provision to all children and young people on risk awareness (fire risk P5, safety risks Bee Safe) and basic knowledge of response.

A 'Design Out Crime' guide/process with appropriate partners to help develop safer spaces and places

Action(s)

Develop a process for statutory engagement with PSNI Design Out Crime Service for major schemes.

Information sessions for Designing out Crime with key agencies to ensure key principles taken on board through design, planning to development (potential agencies Planners, architect society, universities etc.

Design out crime analysis of all capital actions within Community Plan, including Village Renewal Schemes and Park & Ride Schemes.

An Anti-Social Behaviour Programme, targeting the districts hot spot areas and issues

Action(s)

To support and promote Mid Ulster Anti-Social Behaviour Forum and Action Plan.

Coordinate all existing providers on drugs and alcohol support to ensure targeted at need.

Develop a 'Drugs & Alcohol' packaged Programme for Mid Ulster working in partnership to deliver a targeted programme for young people through community and schools.

Link to Health & Wellbeing and Education & Skills Mental Health Actions.

Extend and Promote the Community Resolution Notice targeting ASB at key times, including Halloween.
(Note; Community Resolution Notice is a means of dealing with certain criminal offences where the offender fulfils police criteria relating to previous offending history and potential reparation. In this circumstance, it would be used as a means of dealing with appropriate criminal offences linked to ASB where the offender is a juvenile. The objective is to educate young people and their parents and seek to avoid a criminal prosecution).

Review and develop Icelandic model to address drugs and alcohol misuse and seek to pilot in Mid Ulster.

Promote engagement between schools and youth provision in diversity and good relations

Support and promote respect for diversity and the integration of our minority communities

Action(s)

A promotion campaign on respect for diversity across Mid Ulster by all partners with a short to medium term communications plan.

Promote, develop and support cultural expression among our minority groups; including migrant support service with STEP, traveller engagement and belong model, mini Melas in all our principal towns annually and engagement of all our migrant groups and communities.

Promote Peace and reconciliation across our District and development of shared/diverse space to include everyone, through delivery of the Peace IV programme of £3million.

Support the community and voluntary sector to build capacity and promote volunteering opportunities

Action(s)

Support and develop community volunteering opportunities across Mid Ulster through grant and investment support to community development infrastructure through grants and strategic support programme over 3 years.

Establish a good practice guide/IT resource to share case studies and support to Groups.

Develop a recognition process for proactive volunteering.

Mapping of Partner Volunteering Programmes.

Link with young people's volunteering programmes (Duke of Edinburgh Award and John Paul II Scheme) and greater engagement with community.

Develop, promote and sustain the Arts in Mid Ulster

Action(s)

Develop an Arts and Cultural Strategy for Mid Ulster.

Review areas for integrated delivery and establish a plan delivery and targets for strategic development across Mid Ulster.

Support and develop community arts across Mid Ulster through grants and developing the community arts infrastructure through strategic partnership agreements for 3 year programmes.

Maximise the integrated use of Council's Arts and cultural venues across Mid Ulster - The Burnavon, Ranfurly House and Hill of The O'Neill Centre and Seamus Heaney HomePlace.
