To whom it may concern

I am in full support of lands referred to in the Draft Strategy Feb 2019 being rezoned for light industrial use.

My family own the piece of land under consideration, we also operate a manufacturing business at the above address. As we have further plans to extend the business, and have outgrown 3 business units at the above address it would be advantageous to avail of this site which is currently in a state of disuse. I look forward to full approval of this site.

I look forward to full implementation of the Draft plan

Yours Faithfully

Mr Patrick Curran
