To whom it may concern

I am in full support of lands referred to in the Draft Strategy Feb 2019 being rezoned for light industrial use.

I am aware of a number of businesses in the area who would relocate to an industrial Park in the area if the space became available. Currently these businesses operate from unsuitable premises. This location could provide the much needed space. I look forward to full implementation of the Draft plan and the re zoning of these lands.

Yours Faithfully
